### Early Years Foundation Stage Policy

#### Aims

At Children of the World Montessori School we are committed to provide high quality early years' education and information which gives parents and children a secure and confident start to their education and nurtures a life long love and enjoyment of learning.

Children of the World Montessori School will comply with all current legal requirements contained in the Early Years Foundation Stage statutory framework.

#### Aims and Purpose

Whilst closely following the Montessori philosophy and curriculum we are also fully committed to the purpose, aims and intended outcomes of the Early Years Foundation Stage framework outlined below;

- **A Unique Child**  
*Every child is a competent learner from birth who can be resilient, capable, confident and self-assured.*
- **Positive Relationships**  
*Children learn to be strong and independent from a base of loving and secure relationships with parents and/or a key person.*
- **Enabling Environments**  
*The environment plays a key role in supporting and extending children's development and learning.*
- **Learning and Development**  
*Children develop and learn in different ways and at different rates and all areas of learning and development are equally important and inter-connected.*

#### Implementation of Policy

**Children of the World Montessori School will ensure;**

- **High Standards** – The Nursery will ensure that every child makes the optimum amount of progress and provides them with high quality teaching, learning and opportunities which enable them to achieve more.
- **Equality of Opportunity** – The Nursery will ensure that every child is included and not disadvantaged because of ethnicity, culture or religion, home language, family background, learning difficulties or disabilities, gender or ability.
- **Parents Partnership** – The Nursery will develop positive partnerships with parents to improve learning outcomes and achievements for all children.

- **Planning** – The Nursery will ensure that activities and services are planned taking into account the needs and interests of the individual and by using ongoing assessment to inform the planning process.
